

Issue of a Single Medical Product Pricing Certificate

About the Service

This service enables clients to apply for a single product pricing certificate for pharmaceutical companies that have registered pharmaceutical products for importation and marketing within the UAE.

Service Process

- Login to the MOHAP website or smart app using the UAE PASS
- The customer shall submit the product registration application online
- The customer shall attach the pricing certificate issued by the country of origin which includes the proposed price of the product in UAE
- The product price is determined based on the approval of the Drugs Pricing
- The ministerial decision on the price of the medical product will be issued
- Complete all the registration requirements
- The pricing certificate will be issued

Required Documents

- Pricing certificate issued by the country of origin which includes the proposed price of the product in UAE in AED or USD and CIF of the reference countries in which the product is marketed in AED or USD.

Conditions & Requirements

1. Approval of the Drugs Pricing Committee.
2. Complete all registration requirements.
3. The price certificate should be submitted as per subject number 3 in the pricing regulations.
4. The certificate should be issued, signed and stamped from the manufacturer or the marketing authorization holder.
5. The certificate should be attested from the ministry of health, ministry of commerce or the trade chamber in the COO or its competent.
6. The certificate should be attested from the United Arab Emirates embassy in the COO. In case there is no UAE embassy, it could be attested from an embassy of one of the GCC countries.
7. The GCC products are excepted from attesting the price certificate from UAE embassy.
