

# Re-Pricing of a Medicine

## About the Service

This service enables pharmaceutical companies that have registered pharmaceutical products for importation and marketing within the UAE to apply for the re-pricing of a product.

## Service Process

- Login to the MoHAP website or smart app using the UAE PASS
- The customer shall submit the re-pricing of the pharmaceutical product application
- The customer shall attach the pricing certificate issued by the country of origin which includes the proposed price of the product in UAE and explain the justifications for repricing the product, in addition to reference prices
- The product price is determined based on the approval of the Drugs Pricing Committee
- The ministerial decision on the price of the medical product will be issued
- The pricing certificate will be issued

## Required Documents

- Pricing certificate from the country of origin.
- Genuine Reasons for re-pricing the product.
- Reference prices from Gulf and European countries for further comparison.

## Conditions & Requirements

1. Approval of the Drugs Pricing Committee.
2. All registration requirements must be completed.
3. The price certificate should be submitted as per subject number 3 in the pricing regulations.
4. The certificate should be issued, signed and stamped from the manufacturer or the marketing authorization holder.
5. The certificate should be attested from the ministry of health, ministry of commerce or the trade chamber in the COO or its competent.
6. The certificate should be attested from the United Arab Emirates embassy in the COO. In case there is no UAE embassy, it could be attested from an embassy of one of the GCC countries.
7. The GCC products are excepted from attesting the price certificate from UAE embassy.
8. Re-pricing reasons certificate should be submitted.
