

Approve Emergency Drugs and Psychotropic Materials for Hospitals

About the Service

Submitting a request to approve the transfer of narcotic drugs, psychotropics, and semi controlled medication between private and governmental health facilities for emergency cases.

Service Process

- Log in to the electronic service and register an account on the website.
- Submit the application through the electronic service to obtain approval, accompanied by the required documents.
- Application is reviewed by the competent employee at the Ministry of Health and prevention.
- Customers can track the application form through their account.
- The approval is issued and sent to the customer.
- In case any additional documents are required, the client can add the necessary documents for endorsement.

Required Documents

- Official letter from the director of the health facility to the drug department justifying the medication transfer and specifying the required quantities.
- Patient's name, prescription and medical report.
- The establishment's valid license, issued by the licensing authority (Dubai Health Authority /Abu Dhabi Health Authority/Ministry of Climate Change and Environment).
- Doctor's/pharmacist's valid license.
- NOC from the licensing authority.
- Import permit from the transferring health facility.

Conditions & Requirements

1. The list must include drugs registered or imported legally in the UAE.
