

Modification of Birth Certificate Details

About the Service

This service enables customers to change or modify the details on a birth certificate and to request the issue of an accordingly revised original birth certificate.

Service Process

- Login to the MoHAP website or smart app using the UAE PASS to apply for the service.
- Submit a request to amend the information on the birth certificate.
- Once the documents and original copies are verified, the birth certificate will be issued.
- The certificate should be collected by the father or his representative.

Required Documents

- Original passports, Emirates ID and residence card in the case of expatriates, and copies thereof.
- Original marriage certificate, duly attested if the marriage was held outside the UAE.
- Original birth certificate (or a police statement if certificate has been lost).
- When requesting a name change, letters from the Consulate and from the relevant court must be submitted.

Conditions & Requirements

1. The presence of the person concerned or his duly authorized representative.
2. Submission of all original documents.
3. If the name change requested is that of a newborn national already registered in the family book, a letter of No Objection issued by the General Department of Nationality and addressed to the Preventive Medicine Department is required.
4. If the name change requested is that of a newborn expatriate, the following will be required: Letter of No Objection from the consulate of the country to which the newborn belongs, stating the change in the newborn's name. Original certificate issued by the Preventive Medicine Department. Request should be made at the same preventive medical center from which the original birth certificate was issued.
