

Examination of Medical Fitness for Residency Visa

About the Service

This service enables an expatriate to obtain a certificate of good health following a fitness examination to prove that such a worker is free from communicable and infectious diseases, thereby allowing him/her to obtain a residence permit within the UAE or to renew his/her current residence.

Service Process

- Print and complete the smart form at a printing center or via the e-service or registered companies
- Visit the public health center or medical examination center for residency for audit (electronic or paper copy) for medical examination.
- Examination results will be sent to the applicant via email and SMS.

Required Documents

- One passport-type photo
- Copies of first and second pages of the passport
- Copy of sponsor's passport (in case of private sponsorship)
- Commercial licence (in case of company sponsorship)
- Worker's disclosure (if any)
- Copy of residence or entry permit
- Current UAE ID card or UAE ID application form (for renewal of residence permit)

Conditions & Requirements

1. Applicants must be 18 or older.
2. In case of residence renewal, the Emirates ID is required.
3. Delegate cards are required for companies with more than 10 workers.
4. Hepatitis B vaccinations are mandatory for the following categories, with additional vaccination fees: Nannies, Housekeepers and those in the same category, Supervisors of nurseries and kindergartens, Workers in hairdressing and beauty salons and health clubs, Workers in health facilities
