

Re-license (Re-register) a Pharmaceutical Facility

About the Service

This service allows customers to apply for re-registration of pharmaceutical facilities following the cancellation of the license by the owner or the suspension of the license by the ministry within 180 days from the date of expiry.

Service Process

- Login to the facility's account on MOHAP website or smart app using the UAE PASS to apply for the service.
- Submit an application for re-licensing a pharmaceutical facility and pay the fee.
- Submit an application for initial approval.
- Once the requirements are met, the initial approval is issued and a no objection certificate is issued for government entities (such as economic departments and municipalities.)
- Proceed with finalizing the licenses and the requirements of different government entities (such as Civil Defense).
- Submit an application for licensing of medical staff (pharmacists).
- Once the requirements are met, pay the fee and send the request for final approval with the required documents.
- Once approved, the license will be issued electronically and sent via email. It can also be downloaded through the website.
