

Re-licensing of a Pharmacist

About the Service

This service allows medical and pharmaceutical facilities to apply for the re-issuance of licenses for employees in the pharmacy profession, including first and second official pharmacists and assistant pharmacists.

Service Process

- Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- The customer (facility) must login through the account of the licensed facility, and provide the required information and documents as per the type of license.
- The customer must refer the application to the Ministry of Health and Prevention.
- The employee concerned will check the application and if it meets the requirements, the application will be approved and sent to the facility for online fee payment.
- The customer (facility) must pay the fee through the website, after which the application will be automatically transferred to the Ministry of Health and Prevention.
- The officer concerned will conduct the final review of the application with fee payment and accept the application. If the conditions are met, the initial license, renewal, cancellation, or change of title will be approved.
- If the application requires a final license (issuance of a new license, re-licensing or transfer of a license), the customer (facility) must submit the required documents to the Ministry of Health and Prevention.
- The employee concerned will approve the application, provided all conditions are met, and issue the final license.
