

# Healthy Restaurant Accreditation

## About the Service

It is an "optional" accreditation service that aims to encourage restaurants to provide healthy meal options in addition to the initial meals provided to customers, which contributes to enhancing the health of community members.

## Service Process

- The restaurant owner must complete the registration form.
- The program coordinator will communicate with the restaurant owner wishing to participate in the initiative for development of the work plan by a nutritionist.
- The restaurant owner must submit an application for evaluation to the program coordinator.
- The restaurant will be evaluated and approved as healthy restaurant.

## Required Documents

- Registration form
- Copy of valid trade license
- Latest approved menu

## Conditions & Requirements

1. The restaurant must have a fixed location and offer integrated services.
2. Have complete local control and authority in decision-making regarding the restaurant's menu
3. The restaurant must hold a local valid trade license.
4. The restaurant must have received no more than two violation notifications over the past year from regulatory authorities, such as municipalities.
