

Issue a Health Facility License

About the Service

This service allows health facilities to obtain the necessary license to practice and provide health and treatment services in the UAE. Such facilities include public and specialized clinics, medical centers, diagnostic and rehabilitation centers, emergency and home health centers, fertility and recuperation centers, one-day surgery centers and hospitals, and hospitals of different sizes and specialties.

Service Process

- Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- Submit a request to obtain the health facility license.
- Submit an application for initial inspection.
- Once the initial inspection is approved, submit an application to study the architectural plan and pay the fee.
- Once the site plan is approved, the initial approval for inspection will be issued.
- Apply for initial license approval and pay the application fee.
- Obtain the license requirements from relevant government entities, such as Civil Defense.
- Apply for licensing of the medical staff (doctors, technicians, nurses).
- Apply for final inspection.
- Once the final inspection is approved, pay the final licensing fee and submit the remaining documents.
- License will be issued electronically and sent via email. It can also be downloaded via the website.

Required Documents

- The following documents are required to be attached to the owner's page: A copy of the owner's passport
A copy of the owner's family book
A copy of the Emirates ID
Recent passport-size photos with white background
A character reference (document available in Customer Happiness Centers) must be completed by the owner; licensing procedures will resume after the approval of the authority concerned
- Initial approval of inspection: An application letter from the owner requesting the license of the medical facility
A letter addressed 'To whomsoever it may concern'
The plan of the facility
Photos of the site
Statement of the total number of students, including gender and school stage, and the capacity of the facility (in the case of school and nursery clinics)
- Initial approval of the license: The facility's plan with initial approval from MOHAP engineers
License of the Department of Economic Development
Application letter of the facility
Security clearance of owner
Proof of owner's qualifications
- Final approval of inspection: The facility's plan with initial approval of MOHAP engineers
The facility's plan with final approval of MOHAP engineers
- Final approval of the license: External billboard of the facility
Medical waste agreement
List of medical equipment
Services price list
License of radiation protection (issued by the Federal Authority for Nuclear Regulation)
Trade license issued by the Department of Economic Development
Certificate of preventive safety (issued by the Civil Defense)
List of partners' names
Internal regulations and rules of the facility
The facility's plan with final approval of MOHAP engineers
- Registration in Tatmeen
- Registration in Riayati

Conditions & Requirements

1. The following documents are required to be attached to the owner's page: A copy of the owner's passport A copy of the owner's family book A copy of Emirates ID Recent passport-size photos with white background
2. A character reference (document available in Customer Happiness Centers) must be completed by the owner; licensing procedures will resume after the approval of the authority concerned.
3. A non-national can own a health facility provided that the local authority to which the facility belongs issues an approval letter regarding the percentage of foreign ownership.
4. An electric elevator must be installed if the facility consists of high floors.
5. Compliance with engineering conditions and standards for licensing health facilities (regulations for healthcare facilities.)
6. Initial approval will be valid for six (6) months only, which is the period granted to the owner to meet all the technical requirements and conditions for obtaining the MOHAP license. The initial approval does not imply the approval to practice or operate the facility; it is only granted in order to complete the procedures required to obtain the license.
