

Re-license (Re-register) a Health Facility

About the Service

This service allows medical facilities to submit applications for re-licensing if the license has been cancelled by the owner or suspended by MOHAP. Such facilities include public and specialized clinics, medical centers, diagnostic and rehabilitation centers, emergency and home health centers, fertility and recuperation centers, one-day surgery centers and hospitals, and hospitals of different sizes and specialties.

Service Process

- Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- Submit an application for the facility's re-licensing and pay the application fee.
- Submit an application for initial inspection and pay the fee.
- Once the initial inspection is approved, the initial licensing approval and a no objection certificate will be issued for government entities (such as economic departments and municipalities).
- Proceed with finalizing the requirements and licenses from other government departments, such as Civil Defense.
- Apply for licensing of medical staff (doctors, technicians, nurses).
- Once all the requirements are met, pay the fee, apply for final approval, and attach the required documents.
- Once approved, the license will be issued through the e-system and sent via email. It can also be downloaded from the website.

Required Documents

- Initial site plan approved by MOHAP engineers
- Latest trade license issued by the Department of Economic Development
- Letter of application from the owner
- Latest license issued by MOHAP
- List of partners' names
- Security character reference forms
- Final site plan approved by MOHAP engineers
- Copy of the facility's license issued by the Department of Economic Development
- Preventive safety agreement issued by the Civil Defense Department
- Copy of the agreement signed with the municipality or a company for the disposal of medical waste
- List of medical equipment, with names and their respective functions
- Price list of services provided by the medical facility
- List of licensed doctors and technicians
- Internal regulations of the medical facility
- License of radiation protection, for those facilities that include a radiation section
- Approval of the board of the medical facility

Conditions & Requirements

1. To apply for this service, the facility's license must be cancelled.

Service completion duration

- Approval of the license application: 5 working days
- Verification of the facility plan: 5 to 7 working days
- Final inspection: 7 to 10 working days
- Final licensing: 5 working days
