- The customer (facility) must access the website through the account of the licensed facility, and provide the required information and documents as per the type of license.
- The customer must refer the application to the Ministry of Health and Prevention.
- The employee concerned will check the application and if it meets the requirements, the application will be approved and then sent to the facility for online fee payment.
- The customer (facility) must pay the fees through the website, after which the application will be automatically transferred to the Ministry of Health and Prevention.
