

License for a Healthcare Program

About the Service

This service allows customers to apply for the renewal of a previously issued healthcare program license to appear or participate in a radio or television show.

Service Process

- Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- The customer shall register (for the first time) in the advertising licensing services program.
- The customer shall log into the service, complete the online form and attach the required documents.
- The customer shall pay the application fee (non-refundable).
- The employee concerned will review the advertisement and documents, and either issue an approval or request amendments or additional documents.
- Upon receipt of approval, the customer shall pay the service fee online.
- The customer can print the ad design, including the MOHAP approval and the start and expiry dates of the license.

Required Documents

- A letter from the establishment explaining the details and nature of participation in the program with a declaration from the participant not to promote himself, his establishment, or any other party, and that the conversation be within the competence only
- A valid license for program participants

Conditions & Requirements

1. Renewal applications should be submitted at least 3 working days before the expiry of the original license.
2. One account must be opened for each healthcare institution that holds a license from one of the licensing authorities to practice the healthcare professions in the UAE.
3. One account must be opened under the name of each pharmaceutical group upon registration, subject to their registration as a group with the healthcare licensing authority (with a list of all pharmacies affiliated within the group, stating the pharmacies' names, the start and end dates of the license, and contact details of each pharmacy.)
4. One account must be opened for each commercial organisation licensed by one of the economic departments in the UAE, provided that their activities are related to healthcare.
5. Every healthcare institution is permitted to open one account. If more than one account is opened for the same institution, all of its accounts on the program will be frozen.
