

# Health Professional Evaluation

## About the Service

This service allows health professionals to obtain an evaluation certificate to issue the necessary licenses to practice the profession in the country.

## Service Process

- View the Unified Healthcare Professional Qualification Requirements and read the conditions to ensure eligibility to apply for the service.
- Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- Fill in the required information, upload the required documents, including a copy of previous DataFlow reports (if any).
- Attach the test exemption documents, if any, pay the prescribed fees and submit the evaluation request.
- The evaluation request will be reviewed and approved within 5 working days. You will be provided with a link to pay the certificate verification fee (DataFlow). Once the fee is paid, the application procedures will be completed (either by transferring to the scheduled test, or exemption from tests, if exemption documents are provided).
- The evaluation certificate will be issued.
- Note: The maximum number of test attempts is 3 per category.

## Required Documents

- Academic qualification: Duration of work experience corresponding to the field of specialization. A professional license corresponding to the period of work experience. Certificate of good professional conduct by health authorities in the country of work. A valid passport. Family book for citizens. The applicant's birth certificate and the mother's family book for children of female citizens. A copy of all previous DataFlow reports + exemption documents, if any.
- For more information on requirements and conditions, see the Unified Healthcare Professional Qualification Requirements.

## Conditions & Requirements

1. There should be no practicing interruption of the profession for more than two years.
2. The certificate must be accredited in the UAE.
3. You must clear the exam, if required.
4. All documents submitted to DataFlow will be verified and the result of the report must be positive.
5. Certificates are accepted in Arabic or English only. If they are in other languages, the certificate must be legally translated and duly certified, and two original certificates must be uploaded with the translated copy.
6. In case of transfer from Abu Dhabi Department of Health or Dubai Health Authority, the license must be valid. If it is not renewed or canceled, it should not be expired for more than 6 months. If it is expired for more than 6 months, the applicant is required to clear MOHAP exam.
7. Experience is calculated from the date of issuance of the license and passing of the prescribed exams for each category.
8. For more information on detailed conditions and requirements for each category, see the Unified Healthcare Professional Qualification Requirements.
