

Changing the Technical Director of a Private Medical Facility

This service enables medical facilities to submit their applications to change or replace their technical directors and obtain the necessary approvals from the MOHAP. Such facilities include public and specialized clinics, medical centers, diagnostic and rehabilitation centers, emergency and home health centers, fertility and recuperation centers, one-day surgery centers and hospitals, and hospitals of different sizes and specialties.

 Department name Licensing and Accreditation	 Sector Health Regulation	 Main Service Medical Establishment Licencing & Registration	 Service Code 110-03-021-051
--	---	---	--

 Service Classification Transactional	 Variation / Auxiliary Auxiliary	 Service Type Government to Business
---	--	--

Service Process

- 01 Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- 02 Submit the application, attach the necessary documents and pay the service fee.
- 03 Once the application is complete and approved, the license will be modified with the name of the new technical director.
- 04 The updated license will be sent to the customer by email. It can also be downloaded from the website.

Required Documents

- Copy of the facility's license issued by MOHAP
- Letter from the owner of the medical facility requesting to change the technical director of the facility
- Official documents of the new technical director

Requirements & Conditions

1. The health facility is managed by the following, according to the classification of the facility:

1.1. Hospitals:

- A doctor licensed by the health authority to practice the medical profession in one of the specialties included in the activity of the health facility.
- An administrator who holds a university qualification in hospital management or healthcare management from a recognized university in the country.

1.2. Outpatient healthcare facilities, health diagnostic centers, and specialized units:

- A doctor licensed by the health authority to practice the medical profession in one of the specialties included in the activity of the health facility.
- A specialized professional who holds an accredited academic qualification in the same field of activity of the establishment.

1.3. Traditional, complementary, alternative medicine centers, and allied health services centers:

- A specialized professional with an accredited academic qualification in the same field of specialization of the center.

1.4. Long-term care homes:

- A specialized professional with an accredited academic qualification in the same field of nursing home specialization.

2. The health authority may determine any other requirements, experiences, or qualifications necessary for those who manage the private health facility.

3. The technical director may manage more than one private health facility in accordance with the controls and conditions specified by the health authority.
