

## Issue a Certificate of Compliance with good Manufacturing Practice Standards

This service enables customers to request the issuance of a Certificate of Compliance with Good Manufacturing Practice Standards, subject to the stipulated requirements and control criteria for pharmaceutical industries, including buildings, environment, methods of documentation, work procedures and after-services, in order to ensure production and quality control.

 <b>Department name</b> Drug	 <b>Sector</b> Health Regulation	 <b>Main Service</b> Medical Establishment Licencing & Registration	 <b>Service Code</b> 110-03-022-000
------------------------------------	--	--	---

 <b>Service Classification</b> Transactional	 <b>Variation / Auxiliary</b> Variation	 <b>Service Type</b> Government to Business
--	---	---

### Service Process

- 01 Apply for the certificate and pay the application fees.
- 02 Following inspection, the report will be reviewed, documents will be checked and the application will be either approved or can rejected if there are missing documents.
- 03 If approved, the certificate will be issued to the applicant.

### Required Documents

- A written request for an inspection of the manufacturing site, addressed to the Drug Department

### Requirements & Conditions

- The GCC and WHO standards must be adhered to.
- The final report, including approval of the certificate, will be issued by the Head of the Drug Department.
- Should the report contain any comments, another inspection will be arranged.
