Service Process

- 01 Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- 02 Fill in the required information, submit the evaluation request, and pay the application fee.
- 03 You will be provided with a link to pay the certificate verification fee (DataFlow). As soon as the fee is paid, the application procedures will be completed (either approval will be given to take up the exams, or an exemption from exams will be given in accordance with the terms and requirements of the exemption).
- 04 If you pass the exams (or in case of being exempt from the exams), the evaluation certificate will be issued and sent via email.
- 05 In case of failure, the exam can be retaken (maximum number of attempts is 3 for each category).

Required Documents

- Academic qualification recognized according to the Guide to the Unified Standards for Licensing Health Professions
- The duration of practical experience corresponding to the field of specialization according to the Guide to Unified Standards for Licensing Health Professions
- A professional license corresponding to the period of work experience
- A certificate of good professional conduct issued at the same place where the professional license was issued
- A valid passport
- Passport and family book for citizens
- The applicant's birth certificate and the mother's family book for children of female citizens

For more information, refer to the Handbook of Unified Standards for Practitioners of Health Practitioners Licensing (PQR)

Requirements & Conditions

- There should be no interruption of practicing the profession for more than two years.
- The certificate must be accredited in the country.
- Pass the prescribed exams, if required.
- All documents submitted by Data Flow are checked and the result of the report must be positive.
- Certificates are accepted in Arabic or English only, and if they are in other languages, the certificate must be legally translated and duly certified, and the two original certificates must be uploaded with the translated copy.
- In the case of transfer from the Abu Dhabi Department of Health or the Dubai Health Authority, the license must be valid, and if it is not renewed or canceled, it must not exceed a period of 6 months, and in the case of exceeding 6 months in one day, the transfer is not made and the applicant is subject to the prescribed exams.
- Experience is calculated from the date of issuance of the license.

For more information about the approval of the scientific certificate for the target specialty, read the Handbook of Unified Standards for Licensing Practitioners of Health Professions (PQR).
