

Applications for Health Statistics from Public and Media

This service enables health and media specialists to apply for specific statistics from within and beyond the Ministry of Health and Prevention. The statistical team provides the required data after it has been extracted, collected and reviewed.

 Department Name Statistics and Research Center	 Sector Public Health	 Main Service Medical Research and Healthcare Data	 Service Code 110-15-005-000
---	---	--	---

 Service Classification Informational	 Variation / Auxiliary Variation	 Service Type Government to Government
---	---	--

Service Process

- 01 Submit a detailed email explaining what data is required.
- 02 The Statistics Center will evaluate the application, ascertain the required period to gather the data and notify the requesting party.
- 03 The Center will then identify a relevant officer to complete the data, a member of the team will review the same, and the Director of the Department will conduct a final review.
- 04 The requested data will be sent to the requesting party.

Required Documents

- An email with a detailed explanation of the type of statistical data required
- Fill in the requirements if the application is submitted through the website
- A completed confidentiality form when the application is submitted by a third party

Requirements & Conditions

- All requested statistics are usually reviewed twice before being sent to the authority requesting such data.
