AED 25,000

**Final license fee for marketing offices:**  
AED 5,000

**Warehouse renewal fee for re-export:**  
AED 10,000

## Requirements & Conditions

- The facility must be open and active.
- The responsible pharmacist must be on duty.

**Conditions for marketing office license renewal:**

- The concerned party must submit the application to renew the marketing office license one month before the expiry date specified for the license, provided that the renewal is made for another new year starting from the expiry date of the previous marketing office license, after paying the fees required for renewal.
- The license of marketing offices must be renewed annually. In the event of non-renewal, the license will be cancelled months after the expiry date.
- MOHAP may, before renewing the license, visit the marketing office to verify the implementation of all health and technical conditions.

**Conditions of factory license renewal:**

- The factory license is renewed annually, provided that the factory adheres to good manufacturing practices, which is ensured by the inspection team that visits the facility.
- An official request can be submitted to the competent department of the ministry to renew the good manufacturing practice certificates issued by the ministry two months before their expiry date. The factory license is allowed to be renewed on the specified date without linking it to the date of inspection visits.
- If the factory continues its activity after the expiry of its license without renewing it, legal measures will be taken against the factory in accordance with the legislation in force in this regard.
- All necessary corrective actions must be taken regarding the feedback that may be received from the inspection team regarding good manufacturing practice.
