Service Process

- 01 To apply for e-services, create an account on MOHAP website with a username and password.
- 02 Submit an application through the electronic service to obtain approval. Attach the required documents.
- 03 The application will be reviewed by the competent employee at the Ministry of Health and Prevention.
- 04 Customers can track the application form through their account.
- 05 The approval is issued and sent to the customer.
- 06 In case any additional documents are required, the client can add the same for endorsement.

Required Documents

- Official letter from the director of the health facility to the drug department justifying the transfer of medicines and specifying the required quantities
- Patient's name, prescription and medical report
- The establishment's valid license, issued by the licensing authority (Dubai Health Authority /Abu Dhabi Health Authority/Ministry of Climate Change and Environment)
- Doctor's/pharmacist's valid license
- NOC from the licensing authority
- Import permit from the transferring health facility

Requirements & Conditions

- The list must include drugs registered or imported legally in the UAE.
