### Service Process

- 01 To apply for e-services, create an account on MOHAP website or smart app with a username and password.
- 02 Submit the request through the electronic service and complete the payment to meet all conditions.
- 03 The competent committees will deliberate the registration of products and then recommendations shall be submitted to the competent ministerial committee.
- 04 The competent committees will deliberate the products' prices and then recommendations will be submitted to the competent ministerial committee.
- 05 The customer shall follow up with the Analysis Section of at the Drug Department.
- 06 The concerned companies should complete the requirements and submit them online.
- 07 The relevant technical and ministerial committees will re-deliberate the registration of products that have been deferred in advance as soon as companies complete the requirements.
- 08 The certificates of registration of products that have been approved for registration will be issued, provided all the conditions and requirements are met. Registration certificates are valid for five years effective the date of committee approval.
- 09 The pharmaceutical certificates (for locally manufactured pharmaceutical products) shall be issued and be valid for one year effective the date of issuance.
