### Service Process

- 01 To apply for e-services, create an account on MOHAP website or smart app with a username and password.
- 02 The client (facility) must provide the required information and documents as per the type of license.
- 03 The client must refer the transaction to the Ministry of Health and Prevention.
- 04 The employee concerned will check the application and if it meets requirements, the application will be approved and the transaction will be sent to the facility for online fee payment.
- 05 The client (facility) must pay the fees through the website, after which the transaction will be automatically transferred to the Ministry of Health and Prevention.
- 06 The officer concerned will conduct the final review of the transaction with fee payment and accept the application. If the conditions are met, the initial license, renewal, cancellation, or change of title will be approved.
- 07 If the application requires a final license (issuance of a new license, re-licensing or transfer of a license), the client (facility) must submit the required documents to the Ministry of Health and Prevention.
- 08 The employee concerned will approve the application, provided all conditions are met, and issue the final license.
