Service Process

- 01 Customer should submit request to organize a health education event to the Director of Health Education Department.
- 02 The event scope is determined by the director (whether health promotion or health education). Applications for health promotion events are transferred to the Head of Public Health and Tobacco Control Programs; and applications for health education events are transferred to the Director of Health Education and Promotion Department.
- 03 A feasibility study will be conducted on the event subject.
- 04 The implementation date will be determined via email by the Director of Health Education and Promotion in coordination with the entity concerned.
- 05 The implementation plan will be developed and approved by the Director of Health Education and Promotion or the Head of Public Health and Tobacco Control Programs.
- 06 The person responsible for implementing the project must be a health educator or a nutritionist, and will be directed to the officer concerned. The person responsible for implementing the event must file a report together with the event implementation form to be submitted to the Director of Health Education and Promotion.
