Required Documents

- The e-system allows the use of the original approved application, under a new number, with the required documents attached

Requirements & Conditions

- Renewal applications should be submitted at least 3 working days before the expiry of the original license.
- If any changes, additions or replacement of documents are required upon renewal, the application must be submitted on a new form.
- One account must be opened for each healthcare institution that holds a license from one of the licensing authorities to practice the healthcare professions in the UAE.
- One account must be opened under the name of each pharmaceutical group upon registration, subject to their registration as a group with the healthcare licensing authority (with a list of all pharmacies affiliated within the group, stating the pharmacies' names, the start and end dates of the license, and contact details of each pharmacy).
- One account must be opened for each commercial organization licensed by one of the economic departments in the UAE, provided that their activities are related to healthcare.
- Every healthcare institution is permitted to open one account. If more than one account is opened for the same institution, all of its accounts on the program will be frozen.
