### Service Process

- 01 Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- 02 Fill in the required information, submit the assessment request and pay the fee.
- 03 Upon receiving the DataFlow link, the customer must pay the DataFlow fee, submit the initial profile for approval, and specify a date to send the DataFlow report.
- 04 Upon receipt of the report, the prescribed exams must be taken and the associated fee must be paid.
- 05 The assessment certificate will be issued upon completing all examinations.
- 06 In case of failure, the exam can be retaken (the maximum number of attempts is 3 for each category).

### Required Documents

- Academic certificates
- Proof of any legal change to the name (such as a marriage document or any other official document)
- Transcript of grades of academic certificates
- Equivalence of academic certificates for holders of masters and doctorate degrees from the Ministry of Higher Education and the scientific research papers
- License from MOHAP or the Health Authority in Dubai or Abu Dhabi or Human Resources letter if the client is an employee of MOHAP
- Passport, visa and valid UAE ID
- Family book for citizens
- Continuous Education Hours (approved 20 hours required)
- DataFlow report
- Expired registration certificate
- Certificate of good professional conduct issued by the licensing authority and valid for at least 6 months from the date of issue
- BLS certificate for cardiopulmonary resuscitation

### Requirements & Conditions

- There may be no more than a two-year gap in applicant's work record.
- Refer to the Unified Healthcare Professional Qualification Requirements (PQR) Manual for verification of the required years of experience and conformity of scientific certificates.
- The certificate must be from a recognized university.
- Experience is calculated from the license issuance date.
- Non-citizen graduates of universities and colleges within the UAE must submit an experience certificate stamped by the Ministry of Health Training and Development Center as per Federal Law No. (7) of 1975 regarding the practice of medicine, or accredited by the Health Department in Dubai or Abu Dhabi, indicating practical training as described in the Professional Qualifications Requirements (PQR) Manual.
- Graduates who are licensed by the following countries will be exempt from the exam: Canada, South Africa, USA, Ireland, Australia, New Zealand and Britain, as well as UAE citizens who live outside the country, served in MOHAP before 1993/6, and who passed the exam in the period from 1993 to 2011.
- A positive report from DataFlow.
- Certificates are accepted in Arabic or English. Certificates in other languages must be translated legally and duly attested.
- Certificates must be attested, however the client may apply for the exam without an attested certificate, provided it is attested upon issue of the license in accordance with the requirements of other entities (such as the Ministry of Human Resources and Emiratization).
- In case of referral from the Dubai Health Authority and Department of Health Abu Dhabi, the license must be valid or have been renewed or canceled for a period no longer than 6 months, failing which the referral will not be valid and the applicant will be required to take the examinations.
- Examinations may be attempted a maximum of three times.
- The certificates are valid for 5 years.
