### Service Process

- 01 Visit the same Preventive Medical Center from which the original birth certificate was issued, with the required documents.
- 02 Submit a request to amend the information on the birth certificate.
- 03 Once the documents and original copies are verified, the birth certificate will be issued.
- 04 The certificate should be collected by the father or his representative.

### Required Documents

- Original passports, Emirates ID and residence card in the case of expatriates, and copies thereof
- Original marriage certificate, duly attested if the marriage was held outside the UAE
- Original birth certificate (or a police statement if certificate has been lost)
- When requesting a name change, letters from the Consulate and from the relevant court must be submitted

### Requirements & Conditions

- The presence of the person concerned or his duly authorized representative.
- Submission of all original documents.
- If the name change requested is that of a newborn national already registered in the family book, a letter of No Objection issued by the General Department of Nationality and addressed to the Preventive Medicine Department is required.

**If the name change requested is that of a newborn expatriate, the following will be required:**

- Letter of No Objection from the consulate of the country to which the newborn belongs, stating the change in the newborn's name.
- Original certificate issued by the Preventive Medicine Department.
