

Re-license (Re-register) a Health Facility

This service enables medical facilities to submit applications for re-licensing if the license has been cancelled by the owner or suspended by MOHAP. Such facilities include public and specialized clinics, medical centers, diagnostic and rehabilitation centers, emergency and home health centers, fertility and recuperation centers, one-day surgery centers and hospitals, and hospitals of different sizes and specialties.

Service Process

- 01 Login to the MOHAP website or smart app using the UAE PASS to apply for the service.
- 02 Submit an application for the facility's re-licensing and pay the application fee.
- 03 Submit an application for initial inspection and pay the fee.
- 04 Once the initial inspection is approved, the initial licensing approval and a no objection certificate will be issued for government entities (such as economic departments and municipalities).
- 05 Proceed with finalizing the requirements and licenses from other government departments, such as Civil Defense.
- 06 Apply for licensing of medical staff (doctors, technicians, nurses).
- 07 Once all the requirements are met, pay the fee, apply for final approval, and attach the required documents.
- 08 Once approved, the license will be issued through the e-system and sent via email. It can also be downloaded from the website.

Required Documents

- Initial site plan approved by MOHAP engineers
- Latest trade license issued by the Department of Economic Development
- Letter of application from the owner
- Latest license issued by MOHAP
