Service Process

To apply through the website:

- 01 Login to the MOHAP website or smart app using the UAE PASS.
- 02 Pay the required fees and receive the attested sick leave from Ministry of Health and Prevention.

Required Documents

Sick leave of five days or less:

- Original sick leave certificate

Sick leave of more than 5 days:

- Sick leave certificate
- Medical report related to the leave

Escort leave:

- Attach proof of relationship
- Sick leave certificate
- Medical report

Requirements & Conditions

- For sick leaves issued from private health facilities, the facility must be licensed
- If the sick leave is for five days or less, it will be attested instantly, and in case of issue by a private or government health facility in Sharjah or a northern emirates attestation will be at the health facility where the treatment was carried out
- If the sick leave exceeds five days and extends for up to one month, it must be attested electronically, with fee payment, and then approved by the medical sub-committee in the emirate
- If the duration of the leave exceeds one month, it must be attested electronically, with fee payment, and then approved by the Higher Medical Committee of MOHAP
- Duration between the date of leave issuance by the medical establishment and the attestation request from the Ministry must not exceed one month
- Sick leave issued by health institutions in Dubai and Abu Dhabi must first be approved by the relevant city's Health Authority, then submitted electronically through the MOHAP website
- Medical reports or sick leave issued by medical institutions outside the UAE must be certified by the Ministry of Foreign Affairs and Ministry of Health and Prevention, the sick leave will be sent to the relevant medical committee for review and approval

FAQs

I have a 3-day sick leave issued by a private medical facility. Does it require a stamp by MOHAP?

The certificates issued by the medical establishments using the MOHAP sick leaves system are certified and do not require further attestation.
